# CARBINE BUMPERS

A limited budget doesn't have to mean limited capability. The all new Carbine bumpers offer Smittybilt's renowned rugged construction while at the same time letting the cost-conscious or entry level jeepers play with the big boys. Manufactured from 3/16" cold-rolled steel and finished with the signature two-stage, textured black finish, the Carbine is fully backed by the Smittybilt Advantage Warranty.

- A** Integrated GEN2 light mounting tabs on the bull bar
- B** Open top and side design fits virtually all winch sizes
- C** Removable bull bar 1.75" .120 wall overrider and kickers
- D** Solid 3/4" D-ring and jack points - welded on the inside and out
- E** Raised corners for better entry and exit under the most extreme conditions
- F** Integrated winch plate fits up to 12,000lb winch, dual winch bolt pattern: 4.5" x 10" and 4.5" x 6"
- G** Ability to retain factory fog lights
- H** Class III receiver hitch for true towing
- I** Perfect mid width (57") design
- J** Accommodates aftermarket style 3x3 cube LED lights
