

Trailer Hitch Receiver for 2018+ Jeep® Wrangler JL

The new Smittybilt Trailer Hitch increases the JL's usefulness beyond just towing by allowing drivers to use recovery hooks, bike racks and cargo carriers. The application-specific 2-inch receiver is Class 3-rated to tow up to 3,500 lbs., which can cover cars and light pickup trucks, small boats, UTVs or motorcycles. Other features include easy bolt-on installation, Grade 8 hardware, a rust-resistant black powder coat finish, competitive price point and Smittybilt's industry-leading product warranty.

FEATURES:

- Fits 2018+ Jeep Wrangler JL 2 And 4 Door Models
- 2-inch OE-style receiver hitch for Jeep JL
- Class 3 Rated: 3,500 lb. GTW, 350 lbs. TW
- Includes bracket to hold a 4-pin connector
- Dual-coated gloss black finish for rust resistance
- Easy bolt-on installation
