

THE ALL NEW
M1A2
HEAVY DUTY MODULAR
TRUCK BUMPER

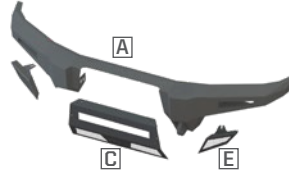

Smittybilt's genre-busting new M1A2 Heavy Duty Modular Truck Bumper gives you the best of both worlds by letting you transform your truck from winched up workhorse to city slicker via a removable winch cradle and LED light bars with multiple mounting options. Matching rear bumper and side steps also available.

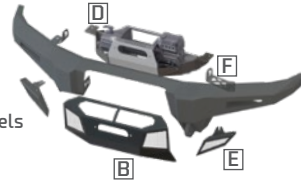

Shown with winch cradle removed and 21" light bar internally mounted for a sleek, stylish look.

Shown with winch installed and 21" light bar mounted using included brackets.
