NEW PRODUCTS ANNOUNCEMENT

**BUMPERS / SLIDERS / FENDERS / GRILLE**

**M-1 BUMPERS FRONT/REAR**
- Innovative two-piece design (front)
- Manufactured from 3/16” and 1/4” cold rolled steel
- Engineered to fit and follow truck body
- Ultra bright driving lights and fog lights included
- Park assist and back up lights included (rear)
- Solid mount D-rings - welds on the inside and out
- Front bumper has a solid 1/4” plate center section that wraps the frame horns and lower cross member
- Built-in winch plate with one-piece welded design to accommodate up to 12,000lbs winch (winch sold separately)
- Finished in the Signature Series matte black textured powder coat and stainless steel bezel accents

**M-1 SLIDERS**
- Aggressive style. One piece design
- Manufactured from 1.75” .120 wall tubing
- Dual girder system provides the ultimate protection for the sides and under section of your truck
- Provides protection and step at the same time
- Bolts on without drilling or modifications to vehicle
- Wheel-to-wheel for maximum protection
- Each slider comes with 1/8” steel platform and dimple die steps for sure footed entry or exit
- Dual purpose rear slider flare for added rear wheel protection
- Rear kick out steps point to access front of bed
- Finished in the Signature Series matte black textured powder coat

**M-1 GRILLES**
- Complements the looks of your F-150
- Manufactured out of marine grade 304 stainless steel
- Stainless steel plated lugs
- Finished in a textured black powder-coat
- No exposed welds – robotically welded
- Simple modifications to the OE grille shell required

**M-1 FENDER FLARES**
- Rugged, off-road lock
- Up to 2 inches extra tire coverage to prevent road debris from hitting side of truck
- Dual composite layer construction:
  - Acrylic top layer for heat resistance/UV protection and interior ABS layer for structural rigidity, fatigue resistance and impact protection
  - Lightly textured and paint-able
  - Stainless steel rivets and rubber gasket is included for tight fit
- No drill application - all hardware included for hassle free fitments

Winch Plate detail
